Science as inquiry is the core of this dynamic, investigative, high-interest series for grades 8–12. **24/7 Science Behind the Scenes** focuses on the science and technology used to solve real-life crimes and heart-stopping mysteries.

From killer wallpaper to deadly pets, from parasites to mosquitoes, these high-interest books build vocabulary, foster scientific knowledge, and develop inquiry skills through the use of charts, timelines, briefing notes, case files, primary sources, and captivating storytelling.

- Background information to build content-area knowledge
- Chapter summaries and questions that recap the evidence
- Reading cues such as: prompts, call-outs, highlighted words, diagrams, and primary sources
- Field guides and tools
- Sidebar interviews
